About

Zorica (Zoey) Todorovic is Senior Vice President and Chief Information Officer (CIO) for Aviva Canada Insurance Company. Ms. Todorovic is responsible for a range of operational areas across the Aviva organization including Information Technology, digital, transformation, security, data governance, contingency planning and business continuity.

Prior to joining Aviva in 2021, Ms. Todorovic was Senior Vice President, Chief information Officer for Sagen Insurance Company, which she joined in 2019 from her role as Senior Vice President of Operations and IT for Chubb Insurance Company of Canada. In the latter role, Ms. Todorovic was responsible for the company's Information Technology organization, including supporting Policy Administration systems for the Chubb Insurance Company of Australia, as well as general business

Ms. Todorovic joined Chubb in 1997 as a Junior Developer trainee. From 2005 to 2008 she was responsible for Commercial Lines and Personal Lines core systems and strategies. From 2008 to 2010, she was the Enterprise Architect and Business Technology Manager across all systems and business units. In 2010, she was appointed the Chief Information Officer for Canada. Prior to joining Chubb, Ms. Todorovic worked in a consulting capacity with a Microsoft Certified Partner, developing custom client solutions, and delivering executive training curriculum.
